Copper Mountain - Feb. 22 to Feb. 27, 2015

March 18, 2014

To All Copperheads:

At our February - 2014 Copper ski trip, someone coined the term “**Copperheads**” for those of us who have enjoyed the Copper experience over the years. Not sure who is responsible for the term, but I think it fits very well. We enjoyed a particularly good trip this past February and I am confident that the 2015 trip will be just as well received.

From now until May 31st we are accepting applications for our 12th Annual Copper Mountain Ski Trip from members and skiers who participated in the 2014 event. If you wish to hold your sign-up number, please submit your application along with a \$100 deposit by this deadline date. Beginning June 1st, the trip will be posted on the GSOC website and applications will be accepted from all GSOC and CSC club members. Cancellation fees will not be in force until September 1st, 2014, so you have absolutely no risk in submitting your application NOW.

The rate for the 2015 trip has gone up slightly, but because of that we are determined to use this same rate for both the 2015 and the 2016 trips despite any cost increase we may incur from our travel agent.

Please review the attached documents and send your application and deposit to our club Post Office Box as shown on the Trip Application form. If you have any questions, please contact one of the trip leaders:
