## **RACING**

### **Crescent Racing - CAMARADERIE AND FRIENDSHIPS**

Crescent racing offers more than high-quality ski competition. The camaraderie and friendships that develop are a key benefit that grows out of participation in Crescent racing. At many events, Crescent racing is a family affair, where two or three generations compete. Crescent racing is highly social, and the racers are a friendly group. Of the reasons current racers list for participation, camaraderie is always among the first. Second, of course, is a love of competition. Crescent racing provides an opportunity to meet, ski, and compete with a group of extraordinary individuals from all walks of life.

## **ADMINISTRATIVE**

Please don't forget to send me an electronic copy of your club newsletter. I really do read them and enjoy seeing what our clubs are doing.

The NSCF website is currently undergoing a complete make-over. A new logo has been voted on and hopefully the website will be completed by the August meeting. Some things are accessible but others are not. Please be patient. Remember to check out all the benefits that NSCF offers to member councils/clubs. New benefits have been added.

Everyone, including the committee chairs, is hard at work. Crescent is fortunate to have an excellent group of people who have volunteered to serve in many capacities. Be sure to thank them and remember that we are always looking for more volunteers.

Thank you for allowing me to serve as your president. for another year. Please feel free to email me any concerns, suggestions etc., at any time.
